Pathway Home

The Ohio Pathway Home program provides evidence-based employment services to incarcerated individuals before and after their reentry into the community. Using a \$4 million grant from the U.S. Department of Labor, the Ohio Department of Job and Family Services is working in partnership with the Ohio Department of Rehabilitation and Correction to employ a team of Reentry Navigators to provide one-on-one assistance to participants.

Up to 540 adults transitioning from state correctional facilities to six of Ohio's largest urban counties: Cuyahoga, Franklin, Hamilton, Montgomery, Stark and Summit. These counties are in Workforce Development Areas 2, 3, 6, 7, 11 and 13.
