Winter Crisis Program

The Home Energy Assistance Winter Crisis Program (HEAP Winter Crisis Program) helps income eligible Ohioans that are threatened with disconnection, have been disconnected or have less than a 25 percent supply of bulk fuel in their tank maintain their utility service. The program runs from November 1 until March 31. Ohio households serviced by a Public Utilities Commission of Ohio-regulated utility must sign up for the Percentage of Income Payment Plan Plus (PIPP) or another payment plan if there is still an outstanding balance on the bill after receiving assistance.
